International Patient Service

Soundarapandian Bone and Joint Hospital is a 40-bedded super specialty orthopedic hospital established in the year 1983. The hospital is located in Anna Nagar, a prime locality in Chennai and about 25 Kms from the Chennai International Airport.

The hospital has been providing excellent care to its patients since inception 40 years ago. We have kept up with the latest technologies in the industry and pioneered the way for Joint Replacement Surgery, Arthroscopic Surgery and Spine Surgeries in Chennai. We use only the best technology and equipment and our Doctors have over 25 years of experience. Soundarapandian International patient assistance care (SIPAC) has been set up by the hospital exclusively for international patients to make sure you receive world-class treatment, personalized attention and a comfortable stay. SIPAC will smoothen your stay from the time of your arrival till you go back to your country. We will take care of your appointment scheduling, pre-operative medical examinations, post-operative rehabilitation services and speedy discharge process.

Our Hospital is equipped with all communication facilities that afford easy access to patients across the globe. It puts at ease the patient's anxiety relating to his/her travel and stay.

Appointment

Request an Appointment and share your reports and your medical condition with us through email with our team of doctors. Our Doctors will evaluate your reports and share their expert opinion on the treatment to be followed. After deciding on the treatment plan, we will mail you the approximate cost estimate.
